

# IMB 261

For high performance computing.

## Features

CPU	Option Intel® 7 <sup>th</sup> Generation CPU Core™ i3/i5/i7 CPU
DVI	DVI-D x 1
HDMI	HDMI x 1
System Memory	DDR4 DIMM
UART	UART connector x 4
LAN	1000Mbps (Intel® i211AT)
Audio	Standard audio jack for analog audio line out
Others	FAN connector x 1
Power supply	ATX
Watch Dog timer	255 levels
Storage	5 x SATA
Expansion Slot	2 PCIe x4 , 1 PCIe x 16 , 3*PCI
TPM	TPM 1.2
Operating Temperature	-10° ~ 60° C
Dimension	ATX

## Features

- High End Intel gaming platform
- Trusted booting feature
- Support PCIe graphics card
- Long life time support

## Packing List

### Standard

Quick manual  
Driver CD

## Ordering Information

### Standard

IMB 261	High Computing Power Embedded ATX motherboard
IMB 261 - i3	High Computing Power Embedded ATX motherboard with i3 CPU, i3-7101E
IMB 261 - i5	High Computing Power Embedded ATX motherboard with i5 CPU, i5-7500
IMB 261 - i5T	High Computing Power Embedded ATX motherboard with i5 CPU, i5-7500T
IMB 261- i7	High Computing Power Embedded ATX motherboard with i7 CPU, i7-7700
